

Call for Papers

2nd MEDITARCH – ANCIENT WORLD

Archaeology and History of Ancient Mediterranean Civilizations

The MA Programs “Greek and Eastern Mediterranean Archaeology” and “Archaeology and History of the Ancient World: from Prehistory to Late Antiquity” of the Department of History and Archaeology invite current and former postgraduate students, as well as PhD candidates, to submit papers for the **2nd MEDITARCH – ANCIENT WORLD** conference. The event will be held in **hybrid format** on **17 October 2025** at the **Library Auditorium, School of Philosophy, University Campus Zografou**.

Building on the success of our first conference, this year’s conference expands its thematic scope to include Ancient History and Museology, while maintaining a core focus on Mediterranean Civilisations. **MEDITARCH – ANCIENT WORLD** aims to provide a vibrant academic platform for postgraduate and doctoral students of the National and Kapodistrian University of Athens (NKUA), offering an opportunity to present and reflect on their research, and to engage in constructive scholarly dialogue. It is also our intention to publish the papers presented at the conference. All submissions will be subject to peer review.

Abstracts should be submitted via email by **13 July, 2025** to the following email address:

 meditarch_conference@arch.uoa.gr

Paper proposals must be **250 words** in length (excluding references) and should include the paper title, the author’s full name, current academic status at NKUA, a brief bibliography (maximum of 5 references), contact details (including an email address) and a preference for in-person or online presentation. In the subject of your email, please indicate the scientific field to which your paper belongs.

All oral presentations should be **15 minutes** long. The official language of the conference is **English**.

Scientific fields:

#Ancient_History, #Classical_Archaeology, #Eastern_Civilizations, #Epigraphy,
#Museology, #Numismatics, #Prehistoric_Archaeology

Organizing committee:

Giorgos Athanasiadis, PhD Candidate, NKUA
